

COLLEGE MERIT REPORT

Instruction Letter

The attached is the results from your College Search. Please be advised that these schools are selected purely for financial reasons. Your academic merit matched the listed schools criteria for merit scholarships. Specific majors, athletics, hobbies, interests, ethnicity, etc... and such were not taken into consideration

I cannot filter the search for majors and such mentioned above.

WHATS NEXT

Go through this list. Do some research. You will be able to eliminate a few from your research.

You are not expected to apply to all these schools, by the time application time comes (Sept-Nov) you should have 6-8 schools to apply to. Out of those, hopefully, if you follow my process, 3-4 will give you significant financial aid packages.

IGNORE THIS AT PERIL TO YOUR WEALTH!!!

It is imperative that you follow these results. Like I mentioned, it would be ideal if your student would find some schools on the list that he /she were interested in. It is not a perfect world and that may not happen. You need to have the end game in mind and that end game is getting as much money from the college of your choice as possible. In order to do that you need to create a bidding war for your student.

PLEASE APPLY TO AT LEAST 4 OF THESE SCHOOLS SO THAT YOU CREATE LEVERAGE FOR NEGOTIATING LATER ON!!

IF YOU HAVE NO COMPETING AWARD LETTERS, YOUR ODDS FOR A SUCCESSFUL NEGOTIATION FOR MORE MONEY FROM COLLEGES, DECREASE DRAMATICALLY!!

Additionally, because a school is not on this list does not mean you should not apply to it. My software is not perfect and as such I may not have that specific school's data in the software.

Although GFG tries to ensure the accuracy to the utmost degree, it is always left to the judgment of the specific institution whether or not you receive a scholarship. If a school is on this list, the odds are very much in your favor that you will receive a scholarship(s) roughly in the amount listed in this report, however, as mentioned above it can not be guaranteed!
